

# Caucus with the Culinary!

Last year, we made history when we achieved the greatest contract in our Union's history. Now Culinary and Bartender members will make history again when we show the world the **power of our Union** at the January 19th Democratic Caucus!

**The Culinary Union  
& Bartenders Union  
believe Senator  
BARACK OBAMA  
is the candidate  
who will fight  
hardest for our  
Union.**

1. Barack Obama is the only candidate who is an **organizer** — he is one of us and knows how important unions are to the future of our country.
2. Barack Obama walked the **picket line** with our brothers and sisters on strike in Chicago. Barack Obama was here for us during every part of our historic contract fight— for Harrah's workers, for MGM Mirage workers, for Laundry workers, for Downtown workers, and for Reno workers.
3. Barack Obama is a **winner** and he'll stand up for our issues — job security, education, health care, and strong unions!

Let's show the world what **Union solidarity** means and  
let's elect the next President of the United States —

**BARACK OBAMA**
